

Procedures and schedule for applications to the Bachelor's and Magistère programs in Organizational Sciences

Procedure

Submitting an application

1) Review the range of course offerings in the Bachelor's in Organizational Sciences program, as well as the application schedule and procedure

2) Choose a maximum of three options and submit your application(s) on My Candidature (the platform closes at 6 pm the last day on which applications are accepted)

Please note: if you are not a citizen of a European Union member country, you must submit your application via both the "Études en France" platform **AND** My Candidature.

Eligibility

If you meet the admissions requirements: depending on the training program, you may be asked to complete written tests or attend interviews (check the schedule on page 4)

Admission

You will receive your results within two months of the end of the academic year

1) Admission to a program: You have eight days to confirm your place on MyCandidature. Past these eight days, if you have not confirmed, you will be removed from the list of individuals admitted.

2) Admission to more than one program: accepting a place in more than one program is not allowed

3) Admission to a program while waiting for a response from another program: You may confirm your place in the first training program in the meantime. Once you have received an offer of a place on the second training program, you may either **accept** or **refuse** it.

Registration

Once you have accepted your place on MyCandidature, Paris Dauphine-PSL will send you an email enabling you to complete your registration for the start of the 2024 academic year, between mid-July and the end of September 2024.
